Winter Takes Over

Until the past week winter has been hesitant about appearing on the weather stage but when he did come on it was in full costume. A fairly thick blanket of snow covered the countryside last week as witness this scene. And then this week someone tampered with the thermometer and let the mercury down to practically zero, causing a large number of people to complain. And next July or August most everyone will be thinking how pleasant it would be to have a touch of winter to temper the heat of summer. Say—a little of that hot stuff from last summer would feel mighty good now, wouldn't it?

Death Claims Mrs. Haley, 98, of Marley

Mrs. Elizabeth Haley, of Marley, died at her home Thursday night, Dec. 27, following a long illness, just a month before her 99th birthday. Her funeral was held Sunday afternoon at 2 o'clock from the Sonntag funeral home in Joliet with the Rev. Ray Hamer, pastor of the Marley Community church, and the Rev. Harold Finley, of Lockport, officiating. Interment was in Hadley cemetery, Homer township.

A resident of the Marley area for 92 years, Mrs. Haley was known to everyone in the community as aunt Libby. She was originally from New York state, having been born at Buffalo, Jan. 27, 1853, the daughter of Robert and Nancy Cooper.

When she was five years old her mother died and the small Elizabeth and her father came to Homer township. She lived there until May 3, 1882 when she was married to Charles F. Haley. The couple went to Marley to make their home and Mrs. Haley lived there the remainder of her life.

The Haleys operated a general store and a grain elevator for many years and also the Marley postoffice. Mr. Haley died in 1937.

The Haleys and the Marshalls, Griffin and Edward, were the founders of Marley. The Marshalls put up a building in 1879 that the Haleys used when they established their store. The postoffice also was located in this structure.

When the government consented to establish a postoffice in the area a name was needed so by combining the first three letters of the name Marshall and the last three of the name Haley, Marley came into being.

In 1893 the Haleys built a new store and the former building was converted into a residence which Mrs. Haley occupied up to the time of her death.

Mrs. Haley was a charter member of the Marley Missionary society and the Marley Community church in both of which she was active most of her life.

About two years ago Mrs. Haley gave an acre of land, ad-

Sorensen Family Escapes Serious Injury in Crash

Alvin Sorensen, Mokena village clerk, and two sons, Larry and Bob, luckily escaped serious injury when their car skidded on a piece of ice, spun around and hit a tree.

The accident occurred at 9 p. m. Dec. 24 at the corner of Midland and Third sts., Mokena.

The force of the impact knocked Larry, 7, thru the windshield but he fortunately escaped injury. Bob, 6, received a bruise above the upper lip and Sorensen's chest was bruised. He returned to work last Monday after resting at home since the accident.

The automobile was badly damaged. The fan was pushed thru the radiator, the front end crushed in and the steering wheel split in half.

The Sorensen's had just left the home of Mr. and Mrs. Nelson Gunhouse, Mrs. Sorensen's parents, where they had spent Christmas Eve, to take home their Christmas presents, and planned to return to pick up Mrs. Sorensen when the accident happened.

Tinley Firemen to Hold Dance Jan. 26

Saturday, Jan. 26, is the date of the Tinley Park Fire department annual dance in Sanger hall. There will be dancing from 9:30 p. m. to 2:30 a. m. and refreshments.

Bob Bettenhausen is chairman of the dance and tickets may be obtained from all members of the volunteer fire department.

joining the church property, to be used by the community as a park.

On her 95th birthday her daughters entertained at an open house for her in honor of the occasion and the affair was attended by scores of persons from Chicago, Lockport, Joliet, New Lenox, Mokena, Homer and the Marley area. This was the last public affair held in conjunction with the celebration of her birthday.

Surviving are two daughters, Mrs. W. B. Storm of DeKalb, and Miss Agnes, of Marley; four grandchildren and ten great grandchildren.

Building Tops Billion Dollar Mark 2d Time In History of Area

New Lenox Gets Toll-Free Phone Service to Joliet and Lockport

The "extended area" calling plan for telephone users of the Joliet-New Lenox area which has been approved by the Illinois state commerce commission is expected to be in use in about a year.

This announcement has been made by the Illinois Bell Telephone Co.

The plan alluded to will enable New Lenox telephone users to call an additional 30,000 phone subscribers—toll free. Telephone users had petitioned the ICC earlier asking that such a plan be developed. Hearings were conducted in recent weeks and on Dec. 20 the commission gave approval to the plan.

When the plan goes into effect New Lenox subscribers will be able to call Joliet and Lockport without toll charges, thus increasing the number of phones in the New Lenox calling area to 32,500.

Manager Howard Gramm said that the delay in putting the new plan into operation is caused by the necessity to install additional equipment in the central offices concerned, to handle the anticipated jump in calling volume among the communities involved. He pointed out that calling between communities normally increases three to four times when extended area calling is introduced, indicating the added value subscribers receive from a plan of this kind.

Reciprocal plans have been developed for the other exchanges in the Greater Joliet area, so that subscribers in these exchanges will likewise be able to call Joliet as well as other exchanges near them on a local basis.

At the present time, New Lenox subscribers can call New Lenox and Mokena telephones without extra charge. Calls to Joliet and Lockport are 10 cents for the first five minutes, with additional charges for longer conversations. Mokena must pay toll to Joliet and Lockport and these calls carry a minimum charge of 15 cents.

Under the new plan, these charges will all be eliminated, and basic rates will be increased slightly. For Lockport residence subscribers the increase will amount to about two to four cents a day, depending on the class of service; for most business subscribers here it will be about 15 cents a day.

Hold Last Rites for Margaret Gotts Resident of Homer

Mrs. Margaret Gotts, 67, nee Titus, died Dec. 26 at her home in Homer township.

Born in Lockport, May 27, 1889, Mrs. Gotts had resided in Homer township for the past 50 years.

Besides her husband, Harold, Mrs. Gotts is survived by two sons, Earl and Arlington, of Lockport; two brothers, Esner Titus, of Plainfield, and Clifford of Quincy; seven grandchildren and three great grandchildren.

Removal was to the Goodale funeral home at Lockport from where services were held last Friday afternoon with the Rev. Gilbert Bengtson officiating. Burial was in Brooks cemetery.

Lincoln-Way High to Vote on Bonds Jan. 19

Lincoln-Way high has now joined that list of schools that are becoming too small for their enrollments. Bremen and Carl Sandburg high schools have had to embark on building programs to enlarge their facilities and now Lincoln-Way is confronted with the same situation.

As a result the board of education has agreed upon plans for an addition to the present plant.

Four classrooms are planned, connect with the building at the northeast corner. It also is planned to complete the auditorium and to rearrange two rooms across the hall from the office for the general science course for freshmen.

It is estimated that the program will cost \$180,000 and voters of the district will be asked to approve a bond issue in that amount on Jan. 19.

There will be four polling places:

Frankfort grade school, for the south half of Frankfort township.

Mokena grade school for the north half of Frankfort township.

Haven school, New Lenox, for New Lenox township.

Manhattan grade school for that portion of Manhattan township that lies within the Lincoln Way district.

The polls will open at 12 noon and close at 7 p. m. Jan. 19 is a Saturday, two weeks from this Saturday.

The reason for holding an election now is to give the board time to get the work started this spring. It is the hope of school authorities that the issue will be approved and that the addition will be ready for use by next September.

There are 93 in the senior class this year but some 200 freshmen are expected to enter school next fall. At that time the total enrollment is expected to be up around the 675 mark and all indications point to continued gains in school population.

Banks to Hold Annual Meetings

The annual stockholders meeting of the banks in this area will be held as follows:

Frankfort State Bank: Tuesday morning, Jan. 8 at 10:30 in the village hall.

Mokena State Bank: Wednesday morning, Jan. 9 at 10 o'clock in the bank.

Bremen State Bank: Thursday evening Jan. 10, 7:30 o'clock in the bank in Tinley Park.

Orland State Bank: Monday morning, Jan. 14 at 10 o'clock in the bank.

Standard baseball bats are made from ash wood.

New building in the Chicago region for 1956 will again pass the billion mark for the second consecutive year.

With figures in for only 11 months—December's totals are still lacking—building in 1956 has passed the 1955 mark by \$60,000, according to a report by Bell Savings and Loan Association.

Bell issues a report each month and its president, Myron H. Fox, points out that 1956 has been the best building year in the history of the Chicago region.

The November reports of permits for new building, he said, brought the total for the year up to \$1,091,719,407 as compared with \$1,030,930,888 for the 12 months of 1955.

"No previous year ever came anywhere near the billion mark," Mr. Fox added. "Ten years ago 1946 reached a quarter billion. Then the climb began and seldom wavered until the present summit was reached.

"In November all building amounted to \$91,082,039. A seasonal slump always appears in November and this year was no exception, for the October total was \$102,329,497. The noteworthy point is that building in November (Continued to page 2)

Nurse Injured When Car Skids Off Lincoln Hwy.

Lincoln highway, east of Joliet was a treacherous stretch of highway last Monday morning and that there weren't a string of accidents was probably due to slow and careful driving on the part of most drivers. Even with care, however, they needed luck.

There was a light coat of ice that made the pavement slick and greasy and the worst of it was that the highway appeared to be just wet.

There were several cars that went into the ditch but the only injury reported was that suffered by Miss Felicia B. Kaiser, 31, of Dyer, Ind., a supervisor at Silver Cross hospital. Her car skidded off the road at Spencer road while she was enroute to work at the hospital and smashed into a utility pole. Miss Kaiser suffered a deep gash on the back of her head and a serious neck injury. She was taken to Silver Cross in the Gerald Dames & Sons ambulance.

Bomb Scare at Park Forest

The east coast bomb scares are reaching westward and the latest, in the neighboring suburb of Park Forest, sent local police scurrying to the Holiday theatre Tuesday afternoon, Jan. 1, while 500 people were viewing a movie.

At 3 p. m. an anonymous phone call from an adult male, informed police that he had overheard a conversation which led him to believe there was a bomb planted in the theatre which was due to go off at 4:30 p. m.

Police stopped the show and cleared the building, without panic. Ten policemen made a thorough search of the building, but found nothing. The theatre reopened at 6 p. m.

BUILDING TOPS—

(Continued from page 1)
vember was \$17,000,000 ahead of the corresponding month in 1955, when the total was \$74,042,888.

"If we look for the sources of this great gain in the November building total—which includes industries, business buildings, churches, schools, homes and apartments—we find that only \$137,000 of the November gain over November of last year was in Chicago, \$12,620,000 was in the suburban towns and \$4,282,000 in the total of all unincorporated areas.

"The housing picture for November does not lend itself to clear cut statements. In general, the region has produced 5,000 less housing units (homes and apartments) this year. By dollar valuations it is \$24,000,000 behind.

"In November permits for all types of housing included 3,362 units to cost \$50,050,703. In November, 1955, 3,855 units, \$48,517,300, were reported. Nearly 500 less units cost \$1,533,000 more dollars. This confirms the impression that larger living quarters are in demand of today. "Comparing single family homes in November 1955 with 1956, we find in Chicago a drop from 878 to 355, in the towns a gain of from 1,670 to 1,692, in the county areas, 482 to 512. The net loss is 417 homes but the investment in homes in November 1955 was \$41,163,715, in 1956, \$41,413,153."

In Tinley Park 14 new homes were built in November of this year with a value of \$162,500 as compared with four homes for \$41,000 in November 1955. All building in Tinley amounted to \$176,912 this November as compared to \$51,938 in November 1955. All building for Tinley in October 1956 was \$88,552.

No figures are carried in the report for Mokena, New Lenox, Frankfort or Orland Park but from figures obtained thru building inspectors in those communities it was learned that home building in Frankfort, for example, was approximately \$155,000, while those in New Lenox ran to about \$225,000. In Mokena building ran over the quarter million mark which figure includes nine new homes averaging from \$15,000 to \$18,000.

Sixty eight permits were issued for building in the unincorporated areas of Orland township amounting to \$922,250.

Figures on all building for Will county show a marked difference in the Novembers. In November 1956 the total figure for unincorporated areas in Will county was \$625,722 as compared to \$1,430,392 in 1955. The figure for outlying areas in that county for all building in October of 1956 was \$895,840.

Joliet reported \$931,095 for building in November 1956 as compared to \$265,854 in November 1955, and \$385,040 for October 1956. The number of homes built in Joliet in November 1955 was 10 for \$172,000 as compared to 15 homes for \$202,550 in November 1955.

Frank E. Wilson, 85, Former Resident of Frankfort, Dies

Frank E. Wilson, 85, formerly of Frankfort, died Saturday, December 28, in his home in Chicago, following a long illness.

Mr. Wilson was born in Frankfort Feb. 8, 1872, son of the late Mr. and Mrs. William Wilson, of Frankfort.

He and his wife, the former Edna Brown, of Chicago, were married for 56 years.

Mr. Wilson moved to Chicago at the age of 19 and worked for the American Express Co., in Chicago for many years.

Besides his wife, he is survived by one son and three daughters, Clarence E., Mrs. Hazel King, Mrs. Mabel Lewis and Mrs. Myrtle Stecker, and a sister Miss Emma Wilson of Frankfort. A son, Ray, preceded him in death. A brother, Conrad Wilson, died in September 1955. Interment was in Woodlawn cemetery, Chicago, Monday, December 31.

Currently, about 20 per cent of the nation's electrical energy is generated by natural gas.

Mokena Park Budget for 1957 Set at \$3,015

The Mokena park commission has adopted its budget for 1957 which provides for expenditures totaling \$3,015.75, which represent the amount of money on hand as of Dec. 1, 1956.

The commission, which has charge of the operation of the Mokena Community park, is limited in its appropriations to the amount of cash it has in the bank.

The Mokena Park commission is not a taxing body and the funds on which it operates are made up of donations by the public and various civic and service groups.

While the 1957 budget provides for expenditures totaling \$3,015, this does not mean that such a sum will be spent. There are three items for instance, the road fund, \$700; shelter fund, \$500 and multi-purpose court fund, \$500 which are likely to remain intact because the amount necessary for such improvements far exceeds the amount on hand.

The budget items in detail are:

Open fire are	\$ 15.00
Balls, bats, etc.	125.00
Admr. expense, insurance, etc.	150.00
Seed and fertilizer	125.00
Fence and entrance	100.00
Sanitary supplies	10.00
Toilets	100.00
Ball diamond preparation	50.00
Grass cutting	200.00
Playground supervision	400.00
Misc. expense	40.75
Shelter fund	500.00
Multi-purpose court	500.00
Road fund	700.00

Total \$3,015.75

The multi-purpose court referred to would serve a number of games, such as tennis, volleyball and shuffleboard.

From talk current in the community it is expected that the commission will study the possibility of establishing a park district this year. Should such a district be established a nominal tax would be imposed to support the park.

For a number of years the main source of money for park purposes has come from Homecoming receipts. It was pointed out, however, that the company that furnishes the rides and other carnival features for the occasion carries off as much or more money than remains in the community after all bills are paid. The heavy storm of wind and rain that wrecked the Homecoming last August was a severe blow.

Communities Receive Shares Of Sales Tax

Cities and villages that have elected to share in the state sales tax have received their portions for September, collected in October.

Cities and villages get one half of one per cent of the sales tax collected within their boundaries. The state gets the money for such municipalities at the same time it receives its own. For acting as the agent of the municipalities the state takes 6 per cent.

Mokena's share for September was \$573 while 571 goes to Frankfort.

New Lenox received \$852 and Orland Park \$471.

Tinley Park's portion for September was \$2,348; Lockport received \$3,234.

Amounts received by other communities close to the area, are:

Blue Island, \$11,859; Chicago Heights, \$19,612; Park Forest, \$7,336; Oak Lawn, \$9,018; Harvey, \$14,224; Oak Forest, \$717; Peotone, \$1,269; Beecher, \$302; Hazel Crest, \$449; Midlothian, \$2,262; Joliet \$45,030; Manteno, \$1,251; Manhattan, \$389; Kankakee, \$20,390; Markham, \$743; Matteson, \$558; Western Springs, \$1,926; Chicago, \$1,754,955.

One large steel-producing company burns enough petroleum fuel in one year to heat a five-room house for 380 centuries!

Auto Death Toll Hits 60 In Will County

Auto deaths in Will county were four less in 1956 than in 1955, according to statistics compiled by Coroner Willard G. Blood.

There were 60 persons who died as a result of auto accidents as compared to 64 in 1955. Speed was the big contributing factor in a majority of these fatalities the coroner's records show.

Of the 60 deaths 14 were pedestrians; seven were involved in rail crossing accidents; 18 were the result of collisions with other vehicles and 21 resulted from cars going off the road with no other vehicles involved.

There were some 150 inquests last year. Records show that next to automobiles the greatest cause of accidental deaths was falling. Thirty two persons died as a result of falls in 1956.

There were nine accidental drownings; 10 deaths due to accidental burns; two from accidental gunshot wounds; two from accidental electrocutions; seven from accidental asphyxiation; 21 from suicide and two from homicide.

Going back thru the years the number of homicides in Will county averages three a year. Both of the murders reported in 1956 were committed outside the county and the bodies dumped here, investigations reveal.

One farmer was killed when a tractor overturned; there was one heat death and one traceable to an allergy to penicillin.

Earle Stellwagon Wins Honor for Work in Science

Forty-two graduate students and faculty members in scientific fields at the University of Chicago have been elected to the University's chapter of Sigma Xi, scientific honorary society. Election is based upon demonstrated ability in scientific research. Of the new members, 32 were elected to full memberships, 10 to associate membership. Among those elected to associate memberships is Earle C. Stellwagon, 130 E. Second st., Mokena. Stellwagon is a student.

Among the improvements made at Oak Forest Institutions during the past year was the creation of a new laboratory department from several small clinical laboratories.

Matasovic Main Speaker at 4-H Honors Dinner

John Matasovic, Mokena Hereford raiser and the head of a welding supply company at New Lenox, was the main speaker at the 22nd annual Honor Roll banquet of the Will County 4H Federation held last Thursday nite at the Joliet Masonic Temple.

Mr. Matasovic was one of a group of American farmers to make a tour of Russia last summer. He showed slides of agriculture scenes taken on the trip and described the Soviet farming methods.

The grace song was led by Wendell Anderson of New Lenox, and the welcome given by Harold Toepper of Peotone. The response was given by Lawrence Meyer of Manhattan. Ann Zusag, New Lenox, was toastmistress. Miss Zusag also was chairman of the committee on arrangements.

More than 400 persons attended the banquet.

Joliet PMA Local Elects Officers

At the annual meeting of the Joliet local of the Pure Milk association, the following officers were elected: Bruce Anderson, Homer township, president; Dave Wandless, Elwood, vice president; Ralph Klett, Joliet, secretary-treasurer; Julius Sew-

ing, Elwood and Aaron Greenwood, Manhattan, both reelected directors for two years.

The other two directors are Bill Davidson, of Minooka and Joe Eich, of Joliet, who were elected last year for two year terms.

Mokena Civic Association to Hold Election Jan. 15

The Mokena Civic Association will elect officers for the current year at its annual meeting Jan. 15.

Members of the nominating committee are, Warren Manker, Marion Owens and Charles Swanberg. Mr. Swanberg is chairman.

Card of Thanks

We want to extend our sincere gratitude to the inhalator squad of Tinley Park and to Officer Peter Seeley for their helpfulness when called Dec. 23 to assist Mrs. Amelia Bauman who suffered a stroke. We also want to express our appreciation to Dr. Merle Otto of Frankfort for his help.
THE LE ROY BAUMAN FAMILY, Tinley Park

I want to thank everyone who voted for me in the recent contest at the Elliott drug store, in New Lenox.
HELEN ANN GULLICKSON,
New Lenox.

We wish to gratefully acknowledge the many kindnesses and expressions of sympathy shown us during our recent sad bereavement, in the death of our father and grandfather, George B. Peterson. We especially want to thank the Rev. Ray Hamer for his comforting words, the organist and the pallbearers; also a thank you to all who gave Memorial gifts to the church and to those who sent beautiful floral offerings. All your acts of kindness are deeply appreciated.

NOTICE OF SPECIAL ELECTION

Community High School District Number 210, Will County, Illinois.

NOTICE is hereby given that on Saturday, the 19th day of January, 1957, a special election will be held in and for Community High School District Number 210, Will County, Illinois, for the purpose of voting upon the following propositions:

1. Shall the Board of Education of Community High School District Number 210, Will County, Illinois, build an addition to, alter and repair the present school building now owned and used by said School District for school purposes and commonly known as the "Lincoln-Way School Building?"

2. Shall the Board of Educa-

tion of Community High School District Number 210, Will County, Illinois, issue bonds of said School District to the amount of \$180,000, for the purpose of building an addition to, altering and repairing the present school building now owned and used by said School District for school purposes and commonly known as the "Lincoln-Way School Building," said bonds to become due \$10,000 on November 1 of each of the years 1958 to 1975, inclusive, and to bear interest at the rate of not to exceed five per cent (5%) per annum, payable on November 1, 1958 and semiannually thereafter?

That for the purpose of said election said School District has been divided into four election precincts, the boundaries of each election precinct and the polling place designated within each election precinct being as follows:

Election Precinct Number 1.

Shall consist of all that part of Community High School District Number 210, Will County, Illinois, situated in the South One-Half (S½) of Township 35 North, Range 12 East (also known as Frankfort Township), Will County, Illinois.

Polling Place: Frankfort Public School, in the Village of Frankfort, Illinois.

Election Precinct Number 2.

Shall consist of all that part of Community High School District Number 210, Will County, Illinois, situated in the North One-Half (N½) of Township 35 North, Range 12 East (also known as Frankfort Township), Will County, Illinois.

Polling Place: Mokena Public School, in the Village of Mokena, Illinois.

Election Precinct Number 3.

Shall consist of all that part of Community High School District Number 210, Will County, Illinois, situated in Township 35 North, Range 11 East (also known as New Lenox Township), Will County, Illinois.

Polling Place: Haven School Building, located at the corner of Haven Street and South Cedar Road, in the Village of New Lenox, Illinois.

Election Precinct Number 4.

Shall consist of all that part of Community High School District Number 210, Will County, Illinois, situated in Township 34 North, Range 11 East (also known as Manhattan Township), Will County, Illinois.

Polling Place: Manhattan Public School Building in the Village of Manhattan, Illinois.

The polls at said election will be opened at twelve o'clock noon and will be closed at seven o'clock P. M. Central Standard Time, on said day.

Voters must vote at the polling place designated for the election precinct within which they reside.

By order of the Board of Education of Community High School District Number 210, Will County, Illinois.

Dated this 13th day of December, 1956.

ALBERT H. KRUSEMARK, President of the Board of Education of Community High School District Number 210, Will County, Illinois.

J. EARL ROBINSON, Secretary of the Board of Education of Community High School District Number 210, Will County, Illinois.

CUB PACK 272

Tinley Park Cub Scout pack 272 observed its December meeting at a Christmas party. It was held in the gymnasium of the Tinley Park school, with their sisters and brothers as guests.

Cubmaster Charles Moore distributed the following awards:

Wolf badge to Brian Smothers and Silver Arrows to Richard Carson, Jack Blitzvich (2), Carl Klingaman, Gregory Warner.

Craig Miller, of den 5 was graduated into Boy Scout troop 255. He said goodbye to the Cub Scouts and was welcomed into the Boy Scouts by Scoutmaster Albert Ciliske.

All the Cub Scouts sang Christmas carols, led by Mrs. Robert Lillie, accompanied by Walter Reed at the piano. Den 10 put on a reindeer and Santa Claus skit to carry out the party theme. Santa Claus arrived later and passed out gifts from large bags, and candy bars were given to all children.

Friday, Dec. 21, 75 Cub Scouts paid a Christmas visit to many wards in the Oak Forest institution, delivering little gifts of cookies and singing carols. Their singing was accompanied on the accordion by Cub Scout Allan Ebell.

Cook County People Purchase Bonds In Large Quantities

Cook county residents purchased \$15,961,111 in Series E and H United States Savings Bonds during the month of November, according to T. Merle Paul, State Director of the U.S. Savings Bonds Division, Treasury Department. Of this amount \$14,055,111, was in Series E and the remainder, \$1,906,000, in current interest Series H bonds.

Sales in the state of Illinois amounted to \$31,340,145, in both Series for the month, accounting for 8.6% of national sales which totaled \$365,936,000. 84.1 per cent of the Illinois quota for 1956 has been reached in the first eleven months. The quota for this year is \$509, 800, 000.

Oak Forest Institutions provides facilities for treatment, care and rehabilitation of the indigent and medically indigent of Cook county who are chronically ill or afflicted with tuberculosis.

Pick Winners in Tinley Teen Pin Tournament

Winners in the Tinley Teen Club Christmas bowling tournament, sponsored by Veterans of Foreign Wars, post 2791, were Betty Christman in the girls singles match with a score of 480. The girls doubles match was won by Gloria Bettenhausen and Sharon Haase who run up a score of 590.

In the boys' singles, Dick Klepper was high man with a score of 671. Doubles champions were Bob Goetsch and Harold Coley who amassed 1035 points.

Approximately 24 boys and girls participated in the tournament which was played last Saturday morning. The tournament lasted four and one half hours and 123 games were played.

The Tinley Bowling Lanes donated the trophies which were presented to the winners.

Girls Basketball Team Wins Opener

The Tinley Teen club girls' basketball team won their first league game by beating Rockdale 27 to 14.

Their next game will be played Tuesday, Jan. 8, when they play Kankakee.

Not Enough Baskets

It was a crucial moment when Jim Casey, of the Tinley Park grade school, No. 14, loosed this shot at the basket in the grade school tourney at Ludwig school in Lockport last week. The score was 21 to 19 in favor of West Aurora and if the ball had dropped thru the net the count would have been 21 all—but it didn't. A few seconds later West Aurora had added two more tallies via free throws and the final gun had sounded. (Times Photo)

Tinley Grade Five Loses in Ludwig Tourney

The Tinley Park grade school basketball team was knocked out of the holiday invitational tournament held at Ludwig school in Lockport last week.

The Tinleys lost the first encounter to West Aurora 23 to 19, which dropped them into the consolation round.

In their second game the Tinley boys were in the running all the way and bowed out only in the closing seconds.

Tinley's loss can be attributed to the fact that their opponents had an edge in control of the backboards.

The tournament ended last Saturday night with East Aurora as the winner. East beat Ludwig in the final game, 30 to 29. In the consolation round Chaney defeated Plainfield 20 to 24 in third place.

Sportabout

by Jack Maypole

Visitors at the country's 58 major boat and sport shows are seeing bigger boats, bigger horsepower engines to drive them and plenty of style in both categories.

All the major outboard motor manufacturers have boosted the horsepower of their biggest engines. Johnson, for instance, has boosted its horsepower from 30 in 1956 to 35 in 1957. This move is attributed to the demand for larger boats—boats that will accommodate the entire family.

Of the 1957 season's 58 major shows at which boats and motors will be put on display, top honors must go to the Chicago National Boat show, being held for the 24th year at the Windy City's International Amphitheater under the auspices of the Outboard Boating Club of America.

A preliminary survey of exhibitors made by the OBC disclosed that 149 boat builders, 12 outboard motor manufacturers, 23 trailer firms and about 155 marine accessory companies will show their wares at the mammoth display.

Last year, the Chicago show occupied 7½ acres. This year 152,320 square feet of floor area have been added to accommodate all the manufacturers who want to display merchandise. In 1956, 240,250 people visited the show. More are expected this year.

Orland Group Seeks Funds to Light Small Fry Baseball Field

The Orland Little League Men's group will meet at the home of Bill Zinn at 8 p.m. Wednesday, Jan. 23, for the purpose of electing officers and formulating plans for the Small Fry baseball season.

To procure funds for the installation of lights on the Orland baseball field, the organization is sponsoring a series of game parties, the first of which will be held at 8 p.m., Jan. 10, in the Orland American Legion hall.

Small Fry, Pony and Colt leagues who use the baseball diamond, will play night games under the lights.

Members of the organizations made a house to house canvas in Orland yesterday to sell tickets to the games being held to raise funds for the lights.

Lewis College Drops Football ... Costs Too Much

Brig. Gen. Paul X. English U.S.A. (Ret.) President of Lewis college, Lockport, announced yesterday that football will be dropped as an intercollegiate sport at Lewis college. President English stated that the dropping of football was directed by the action of the board of directors of Lewis college only after extensive thought and study. This action, English stated, was due to the tremendous cost of football and lack of attendance at games. The board of directors and President English regret the necessity for this action, but from a realistic standpoint no other action appeared possible, it was said. Many university and colleges have been forced in recent years to drop football for financial reasons. President English also stated that there would be no de-emphasis on the other intercollegiate sports, basketball and baseball. Rather, he said, their will be an intensified emphasis on that portion of the intercollegiate program as well as the intramural athletic program.

One out of every four floor furnaces sold in American last year was built to operate on liquefied petroleum gas.
